Love in Fairyland by Leah Lubin

At a Loss for Words by Leah Lubin

Feeling vulnerable.

Still in pain.

I sit quietly in the corner

thinking about a new way

to reach out to you.

At a loss for words

but still willing to continue

the search started so long ago.

Then filled with hope.

Now more mature but still open.

I consider my possibilities.

Life alone or should I continue searching?

It is possible that you might still be out there.

Searching for me too.
