The Road Trip of Life by Leah Lubin

### The Road Trip of Life

I've been meaning to call you and  
tell you how it's been.

This road trip called life that has  
me in its grasp.

Powers that I can't explain seem to be  
sending me in certain directions with  
issues that continue over and over again.

Unresolved or unclaimed.

Not sure which.

I've been at it for a while.

Life, that is.

You'd think that I would have figured  
it out by now.

But no, I haven't and it seems for the  
best in many ways.

Because change for the good all around  
is what I am after.
